**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Having a choice between telephone/internet providers is extremely important. Having an open, competitive market is vital and what makes choice possible. As a former AT&T customer unhappy with its escalating prices, I was gratified to discover SONIC offered the same services, but at a substantially reduced rate. As a senior with limited income, I'm grateful to SONOS for their outstanding service and for keeping their prices reasonable.

Please do not destroy their and other small company's rights to compete fairly.
